EVERS HITS SEND QUAKERS TO DEFEAT

Great Crowd Watches Game Despite Athletics Poor Showing in Previous Game.

Fenway Park, Boston, Oct. 13.—The Boston Braves this afternoon won the 1914 world's championship. They defeated the Athletics by a score of 3 to 1, and thus performed the unprecedented feat of winning a world's series in four straight games. With this feat they earned more than ever their title of the Miracle Men. Having risen from the bottom of the National League to first place between July and September, the great victory of the Braves is a fitting climax to the most wonderful season a baseball team ever enjoyed. To two pitchers goes the credit for the defeat of the Athletics. Rudolph and James get the credit for the quartet of victories.

Both of Rudolph's were clean-cut, the last coming today. James won a sensational game Saturday, holding the Athletics to two hits. He then got credit for yesterday's game, relieving Tyler when the score was tied. From start to finish the Braves have out-hit, outgamed, outgeneralized and out-guessed the Athletics. Their infield overshadowed the famous \$100,000 infield of Mack. Connie Mack showed everything he had and lost. He relied on his veterans, Bender and Plank, in the first two games and they fell; then he turned to the youngsters and Bush went down yesterday and Shawkey and Pennock today.

The Braves put their game away this afternoon in the fifth inning, after two men were out. Rudolph started the rally and won his own game with a single. Moran followed with a double, and when Evers shot one to safe territory both Rudolph and Moran dashed across.

Rudolph did not pitch as great a game today as that of last Friday, but it was good enough to beat the Athletics. He was hit steadily up to the fifth inning. One safe blow was registered off his delivery in each of the first three innings. In the fourth and fifth he was touched for two hits. Only Shawkey's double, however, in the fifth, after Barry had singled, scored a run. In the next four innings only 12 men faced Rudolph. He fanned six men during the entire game.

The luck was against young Shawkey. He held the Braves hitless three innings and the got only a scratch hit in the fourth. This resulted in a tying run, however, and in the next session the game was put away.

The Braves were carried off the field on the shoulders of wildly cheering fans. The Athletics got away as quickly as possible. Thousands then jammed the field before the Braves' bench, giving rousing cheers for President Gaffney, Stalling, Evers, Gowdy, the hitting heroes of the series, and other members of the team.

Stallings and Gaffney delivered short speeches. The Royal Rooters' Band played "Tessie" and all Boston took the lid off.
